

Nothing is faster! Nothing is easier!

So fast and so easy, you'll never want to use anything else. Just insert your graphic into the holder and you're done. Slide out sideways to change. It's that easy!

- Your graphics will be up in a flash!
- Permanent end caps means nothing to lose.
- Ideal for thinner substrates, stretching your printing dollars.
- Exclusively for wall and window applications.

Technical Information

EconoGrip works with substrates, including finishes and protective laminates, up to 60 points thick.

Stock finishes are black plastic with black foam tape, white plastic with white foam tape, or clear plastic with clear transfer tape.

Only clear EconoGrip is recommended for window applications.

Black EconoGrip is not recommended for use in areas receiving direct sunlight.

Custom colors also available; 10,000ft. minimum and an up charge may apply. Call for pricing.

Top holder only.
