

Aluminum front-load snap frames that give you the freedom of choice.

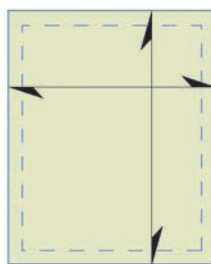

With our new FreedomFrame variants, your options are truly endless. Whether you prefer the traditional round profile, or our new square profile, conventional mitered or modern straight-cut corners, we've got a FreedomFrame for you. Need to hang mid-store? Now you can with our Back-to-Back version. Need a large format snap frame for your wall graphics? Now it's easier than ever with our new Do-It-Yourself FreedomFrame.

- Always cut to your exact specifications.
- Durable, elegant aluminum finish.
- Unique snap-open, snap-closed hinge for secure, easy access.
- Bold 1-3/8" wide rails.

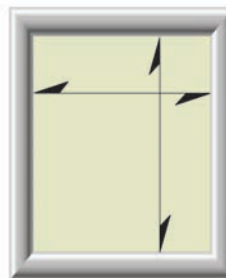

Graphics change easily by simply snapping open and replacing the old with the new.

Live Area Calculator

Graphic
8.5" x 11"

Live Area
7.5" x 10"

"Live area" is the amount of your graphic actually shown when placed in a frame. When you put a graphic into a FreedomFrame, a 1/2" margin is covered by the frame.

Color Options

12FF100
Shown in black anodized, clear anodized and champagne anodized finishes.

Straight Cut and Square Profile

Our popular FreedomFrame is now available in either round or square profile with mitered or rounded corners. Your choice!

Always cut to your exact specifications.

Back-to-Back

Hang mid-store with our new double-sided FreedomFrame. Compatible with all of our ceiling hanging accessories to match any look. Available in round or square profile, straight or mitered corners.

Champagne

Our new champagne finish will give your stores a unique, modern appearance. All Freedom Frame variants are available in Champagne. Non-mitered FreedomFrames come with black details.

Do-It-Yourself

Ships unassembled and without a backer board to save you money on shipping. Ideal for large format wall graphics. Choose round or square profile. Available with rounded corners only.
