Hook-on Acrylic Pockets - an alternative to traditional slat-wall system. Pockets are designed to be used with horizontal rods wall mounted or cable suspended, just hook on in desired position. Its an easy to use system which allows you to create stylish interior displays for all types of information and change it in just a few minutes. All pockets hook onto rods without using any tools. Use on walls or windows in estate and recruitment agencies, offices, receptions, museums and other information areas. Select from a standard range of pocket sizes or other sizes which are also available on request.

- Available in various sizes and formats.
- Custom sizes at no extra cost.
- Available in non-glare acrylic.
- Uses standard paper posters up to 135gsm.

Cable Suspended Hook-on Display

Supported on cable and horizontal rods. Rods need to be mounted onto cables with CS09 supports... no more than 20 inches on centers. Use end caps REC on page 12 for finishing the rod ends.

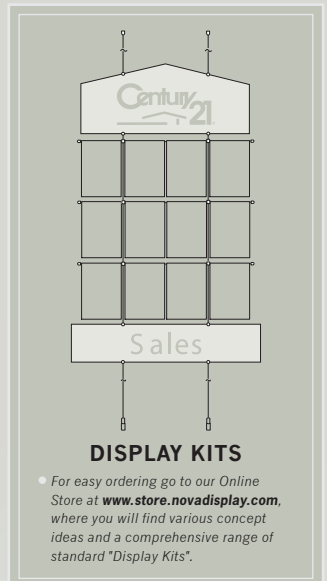

Wall Mounted Hook-on Display

Supported on horizontal rods mounted onto wall with WM11 supports... no more than 20 inches on centers. Use end caps REC on page 12 for finishing the rod ends.

HARDWARE OPTIONS

- Use CS05 or CS09 supports on page 11-12 with horizontal rods to create cable suspended hook-on displays.
- Use WM11 or RS03 supports on page 26 with horizontal rods to create wall mounted hook-on displays.

DISPLAY KITS

- For easy ordering go to our Online Store at www.store.novadisplay.com, where you will find various concept ideas and a comprehensive range of standard "Display Kits".

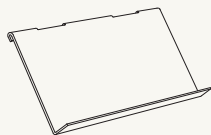

DESIGN TIP:

Consult us with your requirements, special custom needs and we will turn your project into highly attractive display presentation.

Acrylic Showcases - a new display concept that consists of clear, frosted, color or partially opaque acrylic cubes and showcases suspended on cables or rods. Available with open front and back, or enclosed... with locking mechanism for maximum security. Each unit can be supplied with low voltage lights which are suspended from the cables. The beam is directed through the open holes at the top, to create the maximum light effect. Acrylic cubes act as small showcases in the window and are ideal for displaying small items of merchandise, souvenirs, electronics and jewelry. These display units can also be designed to meet your individual requirements.

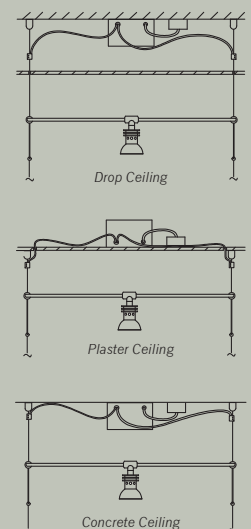

Wooden & Acrylic Frames - elegant framed presentations made of acrylic or natural beech wood, they fit directly to cables or rods with no additional fittings. Available in few configurations; Pocket Frame - designed to take a variety of posters and photos; Shelf/Frame Presentation - design to create framed product presentations, available with a straight or sloping shelf, and integrated with low voltage lighting. The presentation frames are great for showcases, store windows, and trade show displays.

- Supplied with U-shaped acrylic pockets.
- Pocket frames are double sided.
- Available in European sizes only.

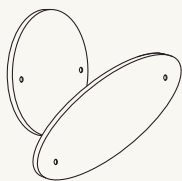

INSTALLATION TIPS Low Voltage Lighting

DESIGN TIP:

Consult us with your requirements, special custom needs and we will turn your project into highly attractive display presentation.

CONCEPT IDEAS

DESIGN TIP:

Consult us with your requirements, special custom needs and we will turn your project into highly attractive display presentation.

Ordering, Payment & Return Policies

Ordering Policy

To start your order first, carefully review the product and service information on our web site, if you don't see exactly what you want, please contact us regarding availability, size, and quantity requirements for your project. Make sure you have decided on exactly what you need. Then, consult us on all your questions regarding our products, components and parts, because many of components can be easily confused. Contact us to receive a quote for your project. After placing an order, the customer receives via fax or e-mail a Customer Order Acknowledgment, which indicates in detail descriptions of items and pricing. Orders will not be processed without Nova Display, Inc. receiving a signed copy of said Customer Order Acknowledgment. Make sure to review and initial all areas. All changes to your orders of stock merchandise can be modified no later than 24 hours after receiving your order. We will call or fax you immediately should something change concerning your order.

Sample Policy

Nova Display, Inc. will provide samples for your testing and inspection. Most samples are supplied at 40% discounted cost (plus UPS Charges). If you need to order components for a prototype or fabrication of a prototype, please contact us for a quotation.

Payment Policy

All orders are shipped F.O.B Nova Display. We accept Visa, or Master Card, in addition to Money Orders, Cashier's Checks and Business/Personal Checks. For orders by phone, you may pre-pay your order via check or wire transfer. Orders prepaid with a check will be shipped within 24 hours of check clearance. New customers wishing to prepay an order totaling \$5,000 or more must allow 10 business days for their check to clear. This policy applies to personal, business, cashiers, and certified checks, as well as money orders.

Overseas customers may pay by Credit Card or Bank T/T at the time of shipment. We do not charge your credit card for any item until it is shipped, this doesn't apply to customized and non-standard items. All credit card orders are subject to credit verification and approval. For your protection, credit card orders shipped to an address other than your billing address may require additional verification.

Qualified businesses or organizations will be given Net 30 terms upon approved credit. In order to open an account, please provide a bank reference and three trade references. Customers with established credit are expected to pay NET within specific terms of their account, pre-established credit limits, and our standard Terms and Conditions, otherwise the line of credit will be discontinued.

All Custom Orders require a 50% Deposit before start of fabrication. Remainder due prior to shipping unless other terms have been determined by Nova Display, Inc. Credit Department.

All pricing and specifications are subject to change, without prior notice. Freight, handling and insurance will be added to your order. Please call for current pricing and availability. Send payments to: Nova Display, Inc., 1626 Piner Road, Santa Rosa, CA 94503

We also suggest you to use our automated ordering system when placing an order, or buying our products online. We accept electronic check payments via PayPal. It also allows you to make payments using VISA / Master Card / American Express. If you don't want to use our secure ordering system or are having problems using it call us toll free: 800-753-9688.

Quality Policy

All merchandise is produced to standard and commercial tolerances. Nova Display, Inc. warranties product to be free from defects in workmanship and material. When Nova Display has determined that a product is defective, it will be replaced. Nova Display liability is limited to the cost of the defective product. No other warranty is expressed or implied.

Shipping Policy

90% of orders on finished products are shipped out within 2-15 business days from our sales/distribution center. The custom made products or components which are not available in stock at the moment of ordering will be shipped in 2-8 weeks. Most orders are shipped via UPS or FedEx, unless otherwise specified. We offer express air and economical two day air service on most items in stock. For large orders, we'll ship freight collect by the most reliable and inexpensive carrier to your location.

Return Policy

Inspect all your shipment immediately upon arrival. If your order is not received in satisfactory condition, keep all packaging and notify us within (3) days of receipt. Stock merchandise in original, unopened packaging may be returned for refund within fifteen (15) days of receipt. Items must be in their original state (undamaged). Shipping and handling charges for returned items are non-refundable. All returns must be accompanied by the order statement. You may want to insure your return. We cannot be responsible for lost or misdirected returns. If you paid for your order by credit card, a credit will be issued and will appear on your billing statement. Returns must be insured for the invoiced value of the merchandise. Please note that custom merchandise is not returnable. A 15%-30% restocking fee will be charged on all returns. If you have any questions, ask your salesperson for details. Merchandise must be returned to: Nova Display, Inc., 1626 Piner Road., Santa Rosa, CA 95403-1908
