AnoFrame is more than just a great-looking aluminum frame. Specifically designed for maximum versatility and ease-of-use. Mount almost anywhere in your retail store display, once assembled graphics slide in and out for quick changing.

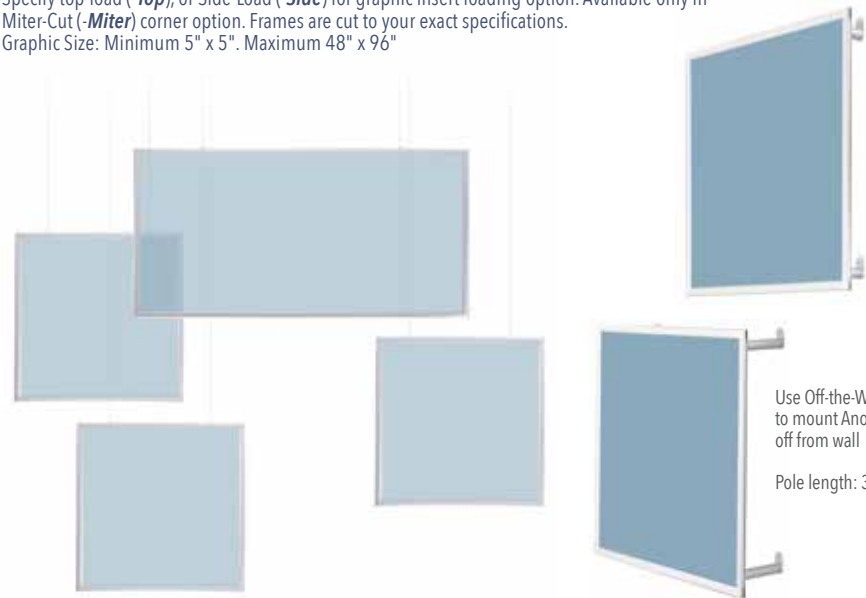

FEATURES:

- Attractive, versatile, and easy-to-use aluminum top/side load frame.
- Mount your graphics anywhere – on your walls, from ceilings, or in windows.
- Top or side load for simple graphic change. Also available in a no load model.
- Stock colors are clear and black anodized aluminum.
- Maximum graphic thickness is 125 pt (1/8", 3mm). Substrates should be rigid or semi-rigid. For thin, flexible substrates use backer boards or clear protective PETG liners, sold separately.
