With AnoFrame Multi-System, your visual display options are limitless. You have complete freedom to choose the exact look you want. You choose the number and size of your panels and frames.

FEATURES:

- Panels can be top or side loading so graphics change in seconds.
- Add as many panels in any configuration you want.
- Assembles in minutes without any tools.
- Two-sided frame ideal for mid-store or hanging displays.

- Can be ordered as a single frame with non-mitered corners.
- Stock colors are clear and black anodized aluminum. Connectors are available in black or metalized silver.
- Maximum graphic thickness is 187 pt (3/16", 5mm). Substrates should be rigid or semi-rigid.

ANOFRAME MULTI-SYSTEM SUBSTRATE POSSIBILITIES
