NOVADISPLAY
INNOVATIVE DISPLAY SOLUTIONS

Channel solves many installation challenges:

- Use channel when you wish to change the poster sizes and need different cable/rod centers.

- Use channel to create a feature area.

- Use channel to bring the display away from the wall or window.

- Use channel to bridge over a poor fixing area.

- Channel allows tremendous fixing flexibility. You can position cables anywhere along their length.

TRIANGULAR WALL BRACKET
- Supplied with 2 nuts and bolts to connect cables to brackets.
- Supports 2 cables 300mm (11-7/8") apart.

INNOVATIVE DISPLAY SOLUTIONS

Ordering Policy

To start your order first, carefully review the product and service information on our web site, if you don't see exactly what you want, please contact us regarding availability, size, and quantity requirements for your project. Make sure you have decided on exactly what you need. Than, consult us on all your questions regarding our products, components and parts, because many of components can be easily confused. Contact us to receive a quote for your project. After placing an order, the customer receives via fax or e-mail a Customer Order Acknowledgment, which indicates in detail descriptions of items and pricing. Orders will not be processed without Nova Display, Inc. receiving a signed copy of said Customer Order Acknowledgment. Make sure to review and initial all areas. All changes to your orders of stock merchandise can be modified no later then 24 hours after receiving your order. We will call or fax you immediately should something change concerning your order.

Sample Policy

Nova Display, Inc. will provide samples for your testing and inspection. Most samples are supplied at 40% discounted cost (plus UPS Charges). If you need to order components for a prototype or fabrication of a prototype, please contact us for a quotation.

Payment Policy

All orders are shipped F.O.B Nova Display. We accept Visa, or Master Card, in addition to Money Orders, Cashier's Checks and Business/Personal Checks. For orders by phone, you may pre-pay your order via check or wire transfer. Orders prepaid with a check will be shipped within 24 hours of check clearance. New customers wishing to prepay an order totaling $5,000 or more must allow 10 business days for their check to clear. This policy applies to personal, business, cashiers, and certified checks, as well as money orders.

Overseas customers may pay by Credit Card or Bank T/T at the time of shipment. We do not charge your credit card for any item until it is shipped, this doesn't apply to customized and non-standard items. All credit card orders are subject to credit verification and approval. For your protection, credit card orders shipped to an address other than your billing address may require additional verification.

Qualified businesses or organizations will be given Net 30 terms upon approved credit. In order to open an account, please provide a bank reference and three trade references. Customers with established credit are expected to pay NET within specific terms of their account, pre-established credit limits, and our standard Terms and Conditions, otherwise the line of credit will be discontinued.

All Custom Orders require a 50% Deposit before start of fabrication. Remainder due prior to shipping unless other terms have been determined by Nova Display, Inc. Credit Department.

All pricing and specifications are subject to change, without prior notice. Freight, handling and insurance will be added to your order. Please call for current pricing and availability. Send payments to: Nova Display, Inc., 1626 Piner Road, Santa Rosa, CA 94503

We also suggest you to use our automated ordering system when placing an order, or buying our products online. We accept electronic check payments via PayPal. It also allows you to make payments using VISA / Master Card / American Express. If you don't want to use our secure ordering system or are having problems using it call us toll free: 800-753-9688.

Quality Policy

All merchandise is produced to standard and commercial tolerances. Nova Display, Inc. warranties product to be free from defects in workmanship and material. When Nova Display has determined that a product is defective, it will be replaced. Nova Display liability is limited to the cost of the defective product. No other warranty is expressed or implied.

Shipping Policy

90% of orders on finished products are shipped out within 2-15 business days from our sales/distribution center. The custom made products or components which are not available in stock at the moment of ordering will be shipped in 2-8 weeks. Most orders are shipped via UPS or FedEx, unless otherwise specified. We offer express air and economical two day air service on most items in stock. For large orders, we'll ship freight collect by the most reliable and inexpensive carrier to your location.

Return Policy

Inspect all your shipment immediately upon arrival. If your order is not received in satisfactory condition, keep all packaging and notify us within (3) days of receipt. Stock merchandise in original, unopened packaging may be returned for refund within fifteen (15) days of receipt. Items must be in their original state (undamaged). Shipping and handling charges for returned items are non-refundable. All returns must be accompanied by the order statement. You may want to insure your return. We cannot be responsible for lost or misdirected returns. If you paid for your order by credit card, a credit will be issued and will appear on your billing statement. Returns must be insured for the invoiced value of the merchandise. Please note that custom merchandise is not returnable. A 15%-30% restocking fee will be charged on all returns. If you have any questions, ask your salesperson for details. Merchandise must be returned to: Nova Display, Inc., 1626 Piner Road., Santa Rosa, CA 95403-1908
