

Installation Guidelines

Parts

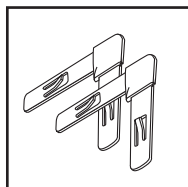

■ 10.25" Split Rail Pairs

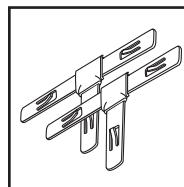

■ A 10.25" Double Rails

■ B 16.25" Double Rails

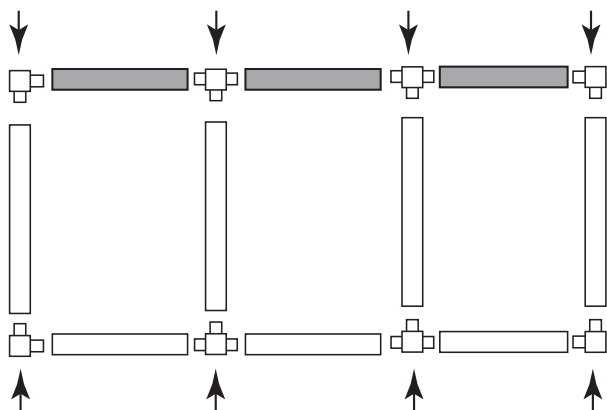

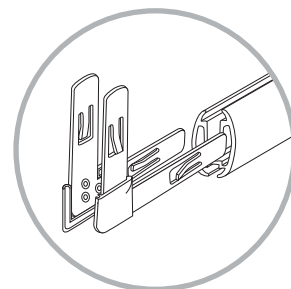

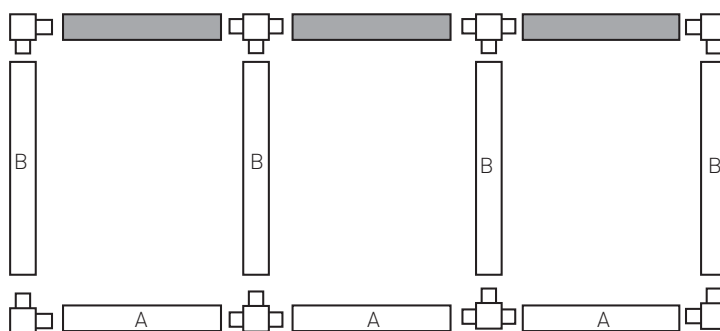

Pair of Corner Brackets

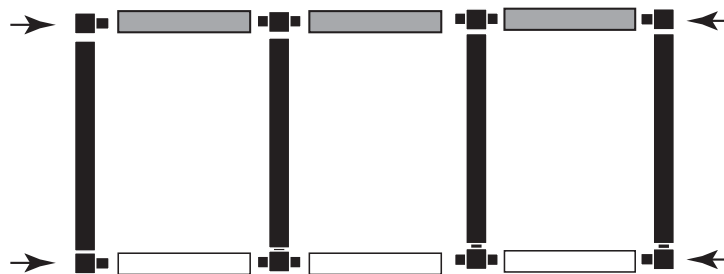

Pair of 3-Way Brackets

Layout parts
in order on
the floor before
assembly!

1. Insert brackets into all vertical rails.
Note: Each joint must have 2 brackets.

2. Push remaining horizontal rails and assembled vertical rails together to complete assembly.
