STACK-ON DISPLAY STANDS

ST SERIES

Stack-on stands are a new innovative display product with an elegant, slim look and outstanding functionality. The aluminum stands are lightweight, highly customizable, provide the use of a wide range of accessories, and take up the least amount of storage space. The structural simplicity of stands provides an extra degree of flexibility and versatility.

Special designed graphic panels, sandwiched clear acrylic frames, brochure holders and shelves can be inserted directly into the stand slots. They can be locked at various height and changed often to meet ne requirements.

DESIGN TIP:

Consult us with your requirements, special custom needs and we will turn your project into highly attractive display presentation.
