### TOTEM DISPLAY STANDS

#### RS SERIES

We have designed our totem displays to be adaptable and easy to customize. All models include a pair of 10mm diameter solid stainless steel rods, a steel base, and various interchangeable acrylic accessories. Alternatively, if required, a fixed graphic element can be provided. The heavy duty steel base holds the columns plumb upright via sturdy concealed fixings.

All stands are demountable for ease storage and shipping. Acrylic pockets can be positioned at any height, and used to create single or double sided displays...

Available in following standard heights: 41", 60", and 80".

#### ORDERING TIP:

All display kits that include info, logo or graphic panels require artwork confirmation before order processing. Call our office for artwork submission requirements.
